(Note 2) “Property Management Company” is the company that is scheduled to provide property management service for each property.

(Note 3) “Master Leasing Company” is the lessee that is scheduled to conclude a master lease agreement with the titleholder of each property.

- i Significant limitation or restriction by laws, regulations and rules
- ii Significant burdens or limitations on rights, etc.
- iii Significant cases where there are architectural structures crossing the boundaries of the concerned property, etc. and cases

- where there are issues with boundary confirmation, etc., and related arrangements, etc.
- iv Significant agreements, arrangements, etc. concluded with co-owners / sectional owners.
- (Note 5) Explanation of “Summary of Rental Status”
- i “Rentable Area” is the total rentable floor area of residences and retail stores, etc. of the asset (if the common area, etc. is leased, the concerned area is also included). The Rentable Area is not based on the real estate registry, but the floor area stated in the lease agreement or the floor area calculated from the building as-built drawing, etc., and may not necessarily be identical to the floor area written in the real estate registry.
- ii In the following cases, “Rented Area” means the floor area (based on the floor area in the lease agreement; however, limited to the floor area of residences and retail stores, etc. (when all units are leased in bulk, the floor area of the entire leased units and excluding the leased area of parking lots) that is actually leased and a lease agreement is executed with the end-tenant. Cases where all or some units are leased in bulk, based on the lease agreement (“Master Lease Agreement”), and the Master Leasing Company in Master Lease Agreement subleases end-tenants, besides there is an agreement under which the rent of Master Lease Agreement is in accordance with the rent, etc. that end-tenants paid (hereafter this type of Master Lease Agreement is referred to as “Pass-through type Master Lease Agreement”).
- iii “Occupancy Rate” is the rate of rented area to rentable area.
- iv “Rentable Units” is the number of rentable units (including the number of stores, if any).
- v “Rented Units” is the number of rented units (which includes the number of stores, if any) that is actually leased and a lease agreement is executed with the end-tenant.
- vi “Total Number of Tenants” is the number of tenants with which CRR or Trustee of Beneficial Trust has a direct rental contract relationship. Therefore, when CRR or Trustee of Beneficial Trust leases comprehensively to the Master Leasing Company all units of the acquired property, and the Master Leasing Company subleases each unit to end-tenants, the Total Number of Tenants is 1; that is, the end-tenants of the sublease agreements are excluded.
- vii When the Master Leasing type is a Pass-Through type Master Lease Agreement, “Total Monthly Rent” means the total monthly rent, as of the last day of September, 2018 (including the common area expense, but not fees for incidental facilities such as parking lot or trunk room) stated in the lease agreements executed by the Master Leasing Company, or the owner of each real estate or Beneficial Interest in Real Estate Trust with end-tenants. Amounts are rounded down to the nearest thousand yen. Consumption tax and other taxes are excluded.
- viii “Deposits, guarantees” is the total amount of security deposit, as of the last day of September, 2018, based on lease agreements executed with the end-tenants, rounded down to the nearest thousand yen. However, if a Security Deposit does not need to be repaid according to special policy conditions such as the redemption of the deposit in a lease agreement, the amount of the Security Deposit is excluded.
